About Our Company

Founded in 2017, ColedaB2B has come a long way in technological advancement since its inception.

We're "the facilitator" that accelerates growth more like a partner than simply acting as a vendor.

Obsessed with leveraging technology and innovation, Coleda drives higher quality, productivity, and improved customer experience.

What we do

- Asset Performance Mapping With Analytics
- Top-of-the-funnel Leads And Waterfall Campaigns
- Designing Creatives Such As Landing Pages And Email Templates

Why choose us?

- We include RPA integration (Robotic Process Automation) in our quality assurance together with intelligent human intervention
- Our team works in shifts to ensure 24/5 availability. Keeping our turnaround time (TAT) under 15 minutes

UNPRECEDENTED IMPACT. UNPARALLELED SCALE.
